

Love in the Mist

When printing the templates, ensure that paper size is set to A4, and scale to 100%

December

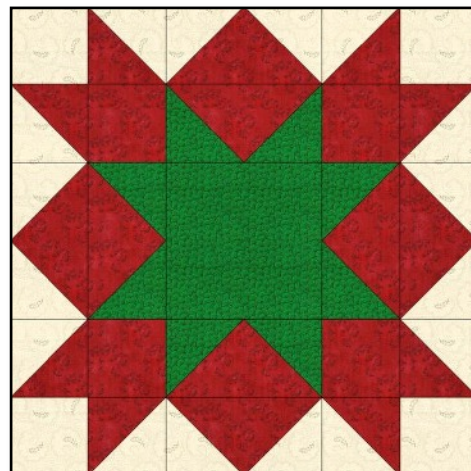

I have been unable to find out any information on the origin of this block.

Fabrics

Fabric 1 - Green.

Fabric 2 - Red.

Fabric 3 - Cream.

Cutting instructions

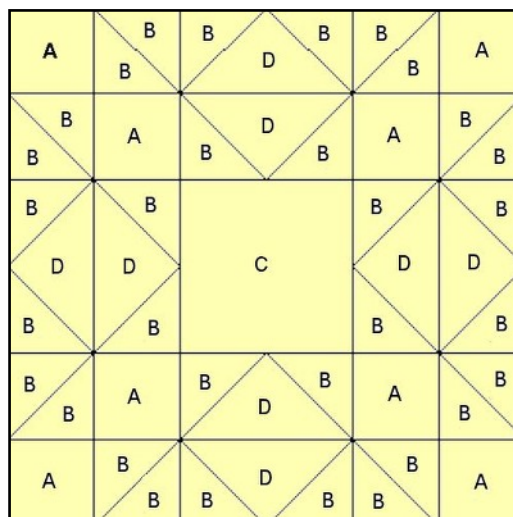

Print out the templates from the PDF file.

$\frac{1}{4}$ inch seam allowance is included.

Fabric 1 - Cut out 1 of template C.
Cut out 8 of template B.

Fabric 2 - Cut out 4 of template A.
Cut out 8 of template B.
Cut out 8 of template D.

Fabric 3 - Cut out 4 Of template A.
Cut out 16 of template B.

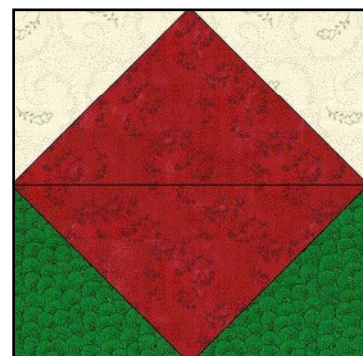

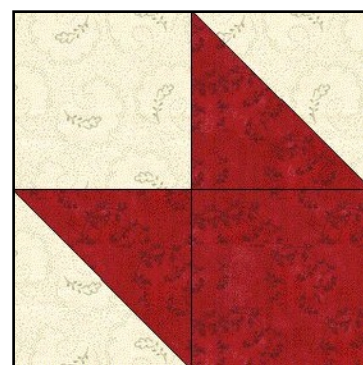

Assembly instructions

1. Take 1 of template B in Fabric 3 and join to 1 of template B in fabric 2 to make a square.

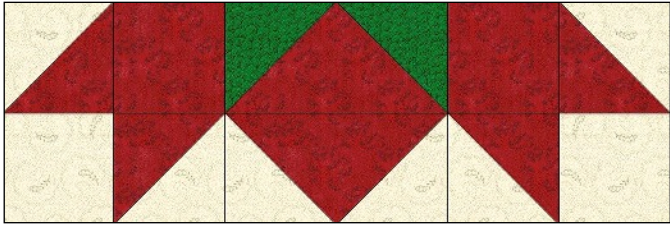

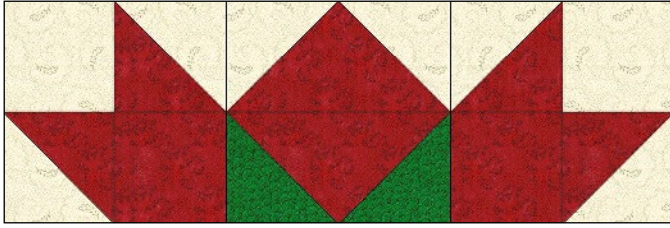

Do this twice.

Now take 1 of template A in Fabric 3 and 1 in Fabric 2 and join to each square to make a rectangle. Join these together as shown in the diagram to make a $4\frac{1}{2}$ inch square. (Called unit 1)

Now repeat these instructions another 3 times to make 3 more $4\frac{1}{2}$ inch squares.

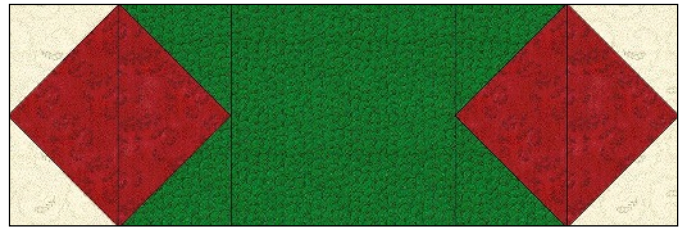

2. Next take 1 of template D in fabric 2 and 2 of template B in fabric 3 and join as shown. Now take 1 of template D in Fabric 2 and 2 of template B in fabric 1 and join as shown. Join these two units as shown above. Repeat these instructions another 3 times to make a three more. (Called unit 2)

3. We will now join these into 3 strips. Take two of unit 1 and one of unit 2 and join together as shown. Check that these are positioned correctly. (Called Strip 1)

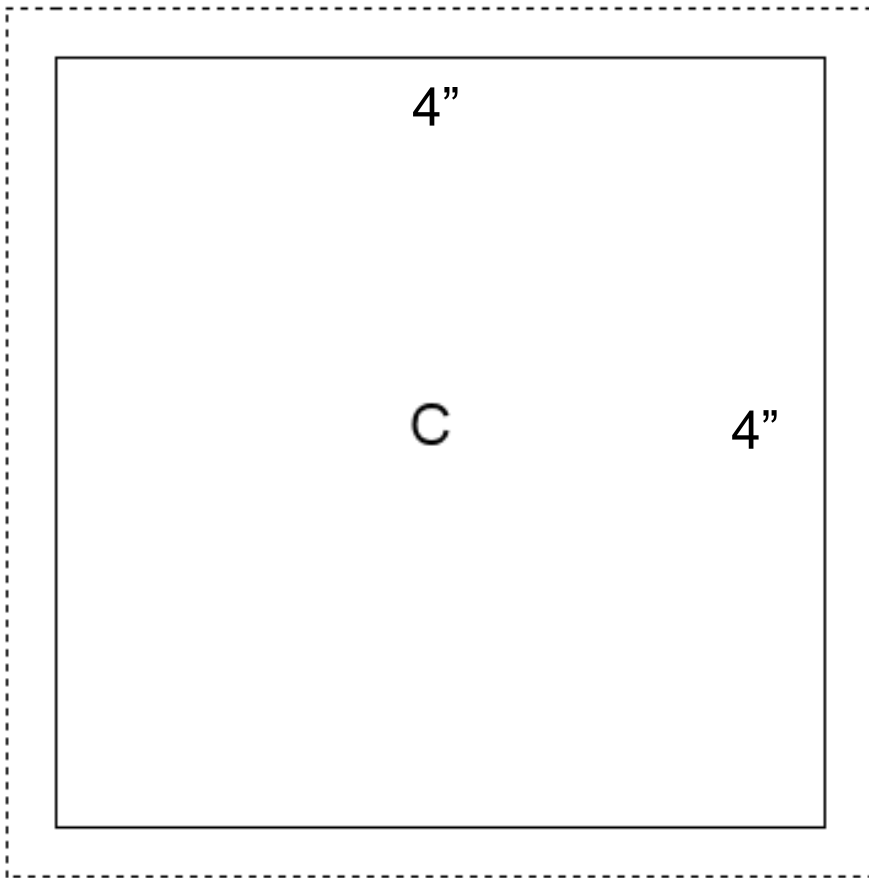

4. Repeat the above step to make Strip 3. Check position on this diagram.

5. Now join a unit 2 to each side of template C in fabric 1 as shown here. (Strip 2.)

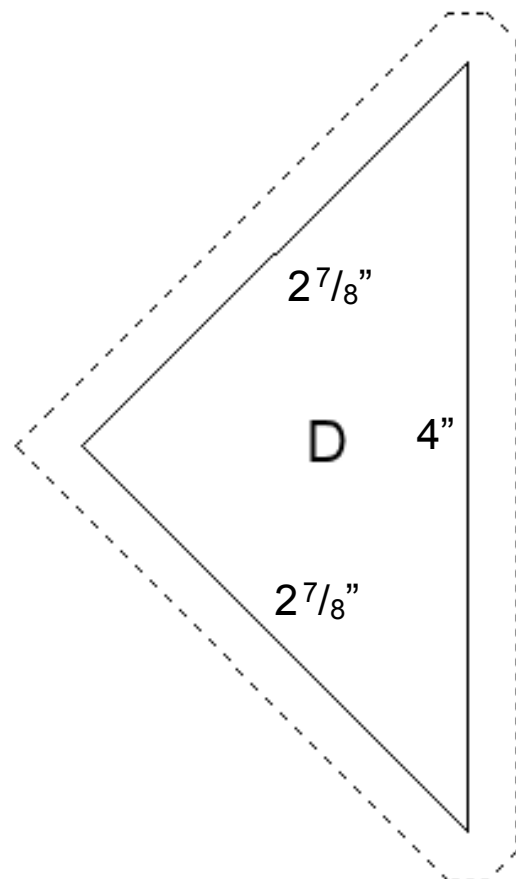

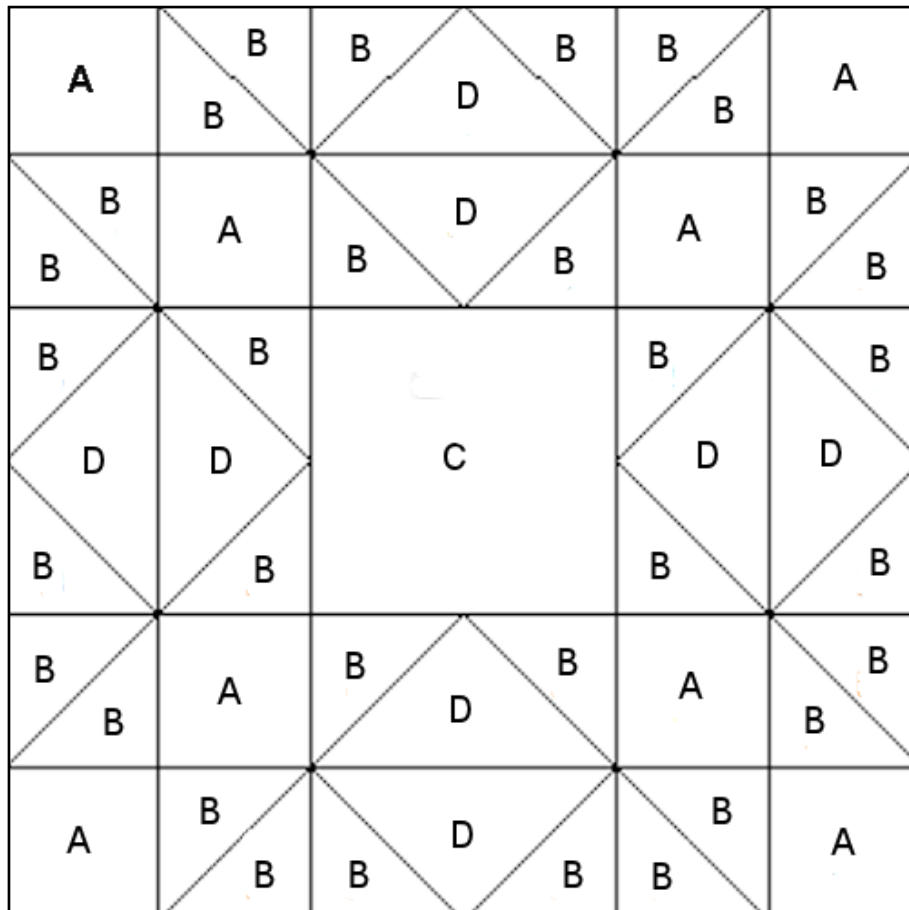

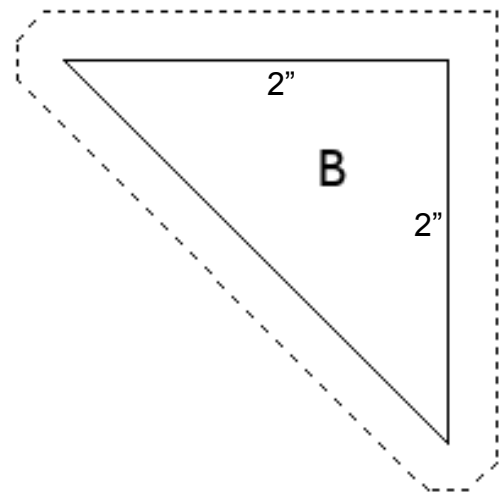

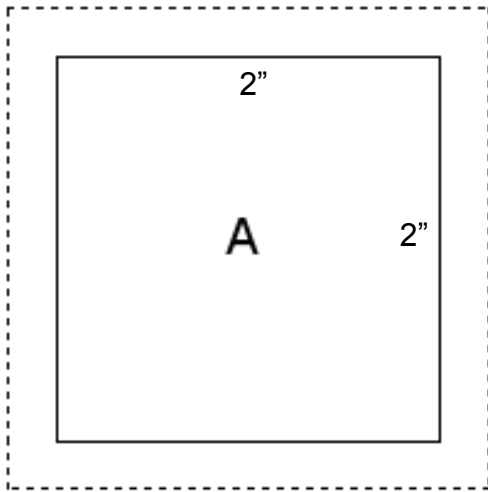

6. We must now join these three strips together to make a $12\frac{1}{2}$ inch block. Join them in order of 1, 2 and 3. See diagram of block at beginning of the instructions for correct positioning.

This template should be printed at 100% scale,
with paper size set to A4
